VERA PIZZA OZTALIA

35cm pizzas are hand stretched in the Neapolitan style with a thin base and a puffy outer crust. Our wood oven, which was hand built in Naples, cooks the pizza at over 400c in 60-90 seconds. The dough leavens for at least 48 hours which helps create the black spotted crust. Our sugo (sauce) is made by the hands of the family using Australian Roma tomatoes. We source, sort, cook, drain, crush and jar each one. This is OZTALIA. This is PIZZATECA.
